

MISSION AND VISION

Mission

A reliable supplier of heat and power that meets customers' and shareholders' expectations and which builds value through:

- adequate profitability,
- competent and committed personnel,
- occupational safety and respect for the environment,
- modern and efficient technology.

Vision

- To be a modern and high-performing main company of the KOGENERACJA S.A. Group (a member of the EDF Group) that produces returns that meet shareholders' expectations.
- To be a company characterized by a strong corporate culture, committed to achieving sustained employee excellence and guided in its practice by the ethical and corporate social responsibility standards of the EDF Group.
- To utilize reliable and robust equipment to ensure high-quality production.
- To be committed to the development of additional manufacturing sources that meet market expectations.
- To be a competitive producer and supplier of electricity in the domestic market and a leader of the local heat market that is committed to meeting customer expectations while respecting the environment.
- To work closely with the local distributor in order to offer competitive heating comfort to the inhabitants of the Wrocław metropolitan area.
